The amount you may request is based upon your available cash adjusted to reject any open orders on your account. Current open orders can affect how much you are allowed to request. Upon entering a request, your available cash will be debited in the amount of the funds request.

Funds recently deposited by check or wire will only be available for withdrawal 10 business days after the date of deposit. Funds request cut off time is 2:00 PM EST.

We will only wire for final credit to an account in the exact same name as the account you hold with our firm. We DO NOT allow third party wires. Wire Fee: \$25.00 International: \$60.00

*****NOTE:** If you are wiring to another brokerage firm, under "Bank Account Name" you would put either that firm's name or their clearing firm's name, depending on their wiring instructions, and their bank account number. Then you would put FFC (For Further Credit) to your name and account number with that other firm. If you are wiring directly to a bank account in your name, then there is no FFC necessary.
