No Advice or Recommendation

Data, content and/or information provided on social media and emails is for informational purposes only and shall not constitute or be construed as, advice or any recommendation to buy, sell or hold a particular security or pursue any particular investment strategy.

You are solely responsible for making your own, independent decisions about whether to use any of the research, tools or information provided, and for determining your own trading and investment strategies.

The risk of loss in electronic trading can be substantial. Therefore, you should carefully consider whether such trading is suitable for you in light of your circumstances and financial resources. System access and trade executions may be delayed or fail due to market volatility, system failure, high volume, or other factors.

Please view the other disclosures on our website, SpeedTrader.com, before considering any trading activities.
